Redemption

Blessid Union Of Souls

I've seen the shadows
Of the corners of my mind
And I go there all the time
Am I missing what I might like
I've tasted sin
And it knocked me off my feet
Like a girl I should not meet
But, oh, it tasted sweet to me
And it turned me around
Now I can't hear the sound of my soul
Right where I am, I am going crazy
Right where I am, I've gone too far
Right where I stand, I plead my case to you
I need redemption
I felt the darkness
Of the places I have been
Things I should not have seen
There was nothing left to believe
My innocence
Is something of my past
Guess I knew it would not last
I was chosen by this path to live
And it turned me around
Now I can't hear the cry of my soul
Right where I am, I hope you'll save me
Right where I am, have I gone too far
Right where I stand, I hide my face from you
I need redemption

Right where I am, I can't explain how
I got where I am, I'm not so proud
Right where I stand, I need to face this truth
I need redemption
I've seen the end
Of all my tears
I'll waste not another day on this
And in the end
I've seen the shadows
Of the corners of my mind

Now I can't hear the cry
Right where I am, I'm going crazy
Right where I am, I've gone too far
Right where I stand, I plead my case to you
I need redemption
Right where I am, I'm going crazy
Right where I am, I've gone too far
Right where I stand, I plead my case to you
I need redemption
Right where I am, I'm going crazy
Right where I am, I've gone too far
Right where I stand, I plead my case to you
I need redemption
Right where I am, I'm going crazy
Right where I am, I've gone too far
Right where I am, I hope you'll save me
