

# Bad Boy

## The Adicts

My mama told me off  
She said I'd done her wrong  
She said I'd been a bad bad boy  
She said I make her sad  
She said I drive her mad  
And now she's takin' all my toys  
I've been a bad bad boy  
I've been bad  
I've been a bad bad boy  
I've been bad  
And now she keeps me in  
I'm paying for my sin  
The door is locked, I can't go out  
I have apologized  
How I've really tried  
And not to be a bad boy  
I've been a bad bad boy  
I've been bad  
I've been a bad bad boy  
I've been bad  
You try to help me out  
But all we do is shout  
Why should we act this way?  
MY love for you is strong  
But I keep doing wrong  
I'll always be that bad bad boy  
I've been a bad bad boy  
I've been bad  
I've been a bad bad boy  
I've been bad  
I've been a bad bad boy  
I've been bad  
I've been a bad bad boy  
I've been bad  
I've been a bad bad boy
