

# Hurricane

## 30 Seconds To Mars

No matter how many times that you told me you wanted to leave  
No matter how many breaths that you took you still couldn't breathe  
No matter how many nights that you'd lie wide awake to the sound of the poison rain

Where did you go

Where did you go

Where did you go

As the days go by the night's on fire

Tell me would you kill to save a life

Tell me would you kill to prove you're right

Crash crash

Burn let it all burn

This hurricane's chasing us all underground

No matter how many deaths that I die I will never forget

No matter how many lies I live I will never regret

There is a fire inside of this heart and a riot about to explode into flames

Where is your God

Where is your God

Where is your God

Do you really want

Do you really want me

Do you really want me dead or alive

To torture for my sins

Do you really want

Do you really want me

Do you really want me dead or alive

To live a lie

Tell me would you kill to save a life

Tell me would you kill to prove you're right

Crash crash

Burn let it all burn

This hurricane's chasing us all underground

The promises we made were not enough

The prayers that we had prayed were like a drug

The secrets that we sold were never known

The love we had the love we had

We had to let it go

Tell me would you kill to save a life

Tell me would you kill to prove you're right

Crash crash  
Burn let it all burn  
This hurricane's chasing us all underground  
This hurricane  
This hurricane  
This hurricane  
Do you really want  
Do you really want me  
Do you really want me dead or alive  
To torture for my sins  
Do you really want  
Do you really want me  
Do you really want me dead or alive  
To live a lie
