Favorite Liar

For All Those Sleeping

Time is not on our side
I'll be leaving town tonight
But there's a seat next to me if you want it

If you don't take my hand
Then I won't see you again

My oh my you're my favorite liar
And time and time, girl, I can't deny it
It's too late (I've heard this before)
I can't wait (but remember you're my)
My oh my you're my favorite liar

Time is not on our side
I'll be leaving town tonight
But there's a way to keep me here if you want it

If you don't take my hand
Then I won't see you again

My oh my you're my favorite liar
And time and time, girl, I can't deny it
It's too late (I've heard this before)
I can't wait (but remember you're my)

My oh my you're my favorite liar
My oh my you're my favorite liar
You're my favorite, my oh my you're my favorite liar
My oh my you're my favorite liar
My oh my you're my favorite liar
My oh my you're my favorite liar
You're my favorite liar

My oh my you're my favorite liar
And time and time, girl, I can't deny it
It's too late (I've heard this before)
I can't wait (but remember you're my)
My oh my you're my favorite liar
And time and time, girl, I can't deny it
It's too late (I've heard this before)

I can't wait (but remember you're my)
My oh my you're my favorite liar

Don't speak you've said enough
