

# All the Way to Kingdom Come

[Rich Mullins](#)

We didn't know  
What love was 'til He came  
And He gave love a face  
And He gave love a name  
And He gave love away  
Like the sky gives the rain and the sun  
We were looking for heroes  
He came looking for the lost  
We were searching for glory  
And He showed us a cross  
Now we know what love is  
'Cause He loves us  
The way to kingdom come  
All the way  
The way to kingdom come  
Love is a miracle  
It's a miracle if you can find it  
Miracles are hard to come by  
These days, these days  
But the sweet Lord Jesus  
He's a miracle man  
He's got holes in His feet  
In His side, in His hands  
And if you ask for love  
Love pours through them  
Like a ray of light, like a raging blaze  
We didn't know  
What love was 'til He came  
And He gave love a face  
And He gave love a name  
And He gave love away  
Like the sky gives the rain and the sun  
We were looking for heroes  
He came looking for the lost  
We're searching for glory  
And He showed us a cross  
Now we know what love is  
'Cause He loves us  
The way to kingdom come  
All the way  
The way to kingdom come  
Life is a mystery  
It's a mystery, that we're all live in  
This world is so fragile  
And we're so frail, so frail  
Yeah, with the sweet Lord Jesus  
His mysterious heart  
Keeps the life-blood pumping

At the center of it all  
If He let go of us, we'd all blow apart  
But He holds on tight, His love don't fail  
We didn't know what love was  
We didn't know  
What love was 'til He came  
And He gave love a face  
And He gave love a name  
And He gave love away  
Like the sky gives the rain and the sun  
We were looking for heroes  
He came looking for the lost  
We were searching for glory  
And He showed us a cross  
Now we know what love is  
'Cause He loves us  
The way to kingdom come  
All the way  
The way to kingdom come  
All the way, all the way  
The way to kingdom come
