I got It Bad

Deb Callahan

I got it bad, I got it blue
I got it sad, I ain't got you
I did you wrong, you got the right
Look what I had, I got it bad
Gone and left me lonely cryin' like a fool
I just can't believe love could be so cruel
I got it bad, I got it blue
I got it sad, I ain't got you
I did you wrong, you've got the right
Look what I had, I got it bad

I know someday I'll get on my feet again
I'll get over you but baby until then
I got it bad, I got it blue
I got it sad, I ain't got you
I did you wrong, you got the right
Look what I had, I got it bad
Look what I had, I got it bad
