Sort It Out

Lontalius

I wanna smoke crack
'Cause you're never comin' back
I wanna shoot speed balls
Bang my head against the walls
I wanna sniff glue 'cause I can't get over you
How am I gonna sort it out?
How am I gonna sort it out?
I wanna smoke crack
'Cause you're never comin' back
I wanna shoot speed balls
Bang my head against the walls

I wanna sniff glue 'cause I can't get over you
How am I gonna sort it out?
How am I gonna sort it out?
How am I gonna sort it out?
How am I gonna sort it out?
How am I gonna sort it out?
How am I gonna sort it out?
How am I gonna sort it out?
How am I gonna sort it out?
