

# Something In My House

## Dead or Alive

I, I, I, I, I, I, I am being haunted  
It's four o'clock in the morning  
And I'm sitting on my stairs  
And there's bangin' 'round the bedroomEven though I know there's no one there  
And I am here all by myself  
And you're somewhere else with someone else  
And I am being haunted by a love that isn't thereThere is something in my house, my house  
It's just a ghost of the long, long dead affair  
There is something in my house, my house  
I just keep a hearing, you runnin' on up my stairs but you're not thereI, I, I, I, I, I am being haunted  
I really gotta say it to ya  
Ya showed me a good time  
But for every minute that you spent laughin'There were hours that I cried  
And I think about what might have been  
If I'd never met that wicked queen  
That my heart broke into pieces that midnight on HalloweenThere is something in my house, my house  
It's just a ghost of the long, long dead affair  
There is something in my house, my house  
I just keep a hearing, you runnin' on up my stairs but you're not thereIt's just a ghost of the long, long dead affair  
There is something in my house, my house  
But you're not there  
I, I, I, I, I, I am being hauntedAnd I am here all by myself  
And you're somewhere else with someone else  
And I am being haunted by a love that isn't thereThere is something in my house, my house  
It's just a ghost of the long, long dead affair  
There is something in my house, my house  
I just keep a hearing, you runnin' on up my stairs but you're not thereIt's just a ghost of the long long dead affair  
There is something in my house, my house  
But you're not thereI am being haunted  
I am, I am, I am, I
