Be My Lover

Daze

I wanna take you out of my dreams and put you into my life,
Be my lover,
Nothings like a dream from the heart, lets never part,
(Be my lover)Never wanna live my life alone,
I'm searching through my heart,
Allways looking for the one.
I wanna make you and take you I have to the place I love,
Ooh come on baby, oooh come on baby its love.
(Be my lover)Dont be afraid of what you feel,
Just take a look at me,
Can you see that I'm for real.
I wanna make you and take you I have to the place I love,
Ooh come on baby, ooh come on baby it's love.
