

# Say You'll Be There

## Ben l'Oncle Soul

Last time that we had this conversation  
I decided we should be friends  
Hey, but now we're going round in circles  
Tell me will this *deja vu* never end? Oh And now you tell me that you've fallen in love  
Well, I never ever thought that would be  
This time you gotta take it easy Throwing far too much emotions at me  
But any fool can see they're falling  
I gotta make you understand I'm giving you everything  
All that joy can bring this I swear  
And all that I want from you  
Is a promise you will be there Say you will be there  
Say you will be there  
Won't you sing it with me? If you, put two and two together  
You will see what our friendship is for  
(Oh)  
If you can't work this equation then I guess I'll have to show you the door  
There is no need to say you love me  
It would be better left unsaid I'm giving you everything  
All that joy can bring this I swear  
I'm giving you everything  
And all that I want from you  
Is a promise you will be there I'm giving you everything  
(I'm giving you everything)  
All that joy  
(All that joy can bring) Can bring this I  
Swear  
(Yes, I swear) I'm giving you everything  
All that joy can bring yes, I swear  
(Yes, I swear)
