Thanks for Nothing

Jerry Lee Lewis

I thank you from the bottom
Of my broken heart
Thanks a lot for the plan
That never had a startMuch ablige for all that I'd been
I'll never know
Thanks for nothing
That's what you gave to meI appreciate all the dreams
That came unglued
Thanks a lot for all the times
You made me blueThanks a million darlin'
For all the pain and misery
That's right
Thanks for nothin'
That's what you gave to meThanks for nothin'
That's all I got from lovin' you
Unless you count the heartaches
That pulled Jerry throughThanks for the dreams
I know that will never be
Thanks for nothin'
That's what you gave to meThanks for nothin'
That's what you gave to meThank you baby!
