Who's Cryin' Now

Journey

It's been a mystery
And still they try to see
Why somethin' good can hurt so badCaught on a one-way street
The taste of bittersweet
Love will survive somehow, some wayOne love feeds the fire
One heart burns desire
I wonder who's cryin' nowTwo hearts born to run
Who'll be the lonely one?
I wonder who's cryin' nowSo many stormy nights
So many wrong or rights
Neither could change their headstrong waysAnd in a lover's rage
They tore another page
The fightin' is worth the love they saveOne love feeds the fire
One heart burns desire
I wonder who's cryin' nowTwo hearts born to run
Who'll be the lonely one?
I wonder who's cryin' nowOnly so many tears you can cry
'Til the heartache is over
And now you can say
Your love will never dieOne love feeds the fire
One heart burns desire
I wonder who's cryin' nowTwo hearts born to run
Who'll be the lonely one?
I wonder who's cryin' now
Oh so tired now, love, love
