

# What's Love Got To Do With It

**Tina Turner**

You must understand though the touch of your hand  
Makes my pulse react  
That it's only the thrill of boy meeting girl  
Opposites attract  
It's physical  
Only logical  
You must try to ignore that it means more than that oooWhat's love got to do, got to do with it  
What's love but a second hand emotion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be brokenIt may seem to you that I'm acting confused  
When you're close to me  
If I tend to look dazed I've read it someplace  
I've got cause to be  
There's a name for it  
There's a phrase that fits  
But whatever the reason you do it for me oooWhat's love got to do, got to do with it  
What's love but a second hand emotion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be brokenI've been taking on a new direction  
But I have to say  
I've been thinking about my own protection  
It scares me to feel this way oooWhat's love got to do, got to do with it  
What's love but a second hand emotion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be brokenWhat's love got to do, got to do with it  
What's love but a sweet old fashioned notion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be brokenOoo got to with it  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken  
Ooo ooo got to do with it  
Second hand emotion
