

# In The Middle

Isaac Carree

Tears running down your face  
And your heart feelin' like it's gon' break  
And your earth feels like it's 'bout to shake  
And you've taken all that you can take  
Just remember where your help comes from  
Realizing you got somewhere to run  
Don't worry 'bout what you're going through  
Instead of worrying, here's what you can do  
Praise him anyway  
In the middle of it  
In the middle of it  
In the middle of it  
You should praise him anyway  
In the middle of it  
In the middle of it  
In the middle of it Listen  
I'm just like you  
If you cut me I'm 'gon bleed  
I got wants just as well as I got needs  
I've been hungry and not had no food to eat And been knocked down as soon as I got on my feet  
Lord it was You that helped me understand  
And it was You that never let go of my hand  
I promise that I'll always give you praise  
No matter what this world brings my way  
I'll praise you anyway  
In the middle of it  
In the middle of it  
In the middle of it I'm gonna lift my hands  
In the middle of it  
In the middle of it  
In the middle of it  
I'm gonna do my dance  
In the middle of it  
In the middle of it  
In the middle of it  
I'm gonna shout for joy  
In the middle of it  
In the middle of it  
In the middle of it
