

# Eliza's Song

David Garrett

Danzig  
Satans Child  
East Indian Devil (Kali's Song)  
Free, I'm alive, yeah  
All that I am  
Know that I've woken  
All of my senses Now I'm half-burning  
Flames out my eyes  
From my darkness  
Close by my side, yeah And lo' see my cold dance From my darkness  
Culled from my pride, yeah  
Down in the blindness  
Form latent hides Dual is my aspect  
Cool to the touch  
Drink from my warm cup  
Life is the blood, yeah Now I'm alive, yeah  
All things I am  
In blood I have tasted  
All that I am In love and blood  
In love and blood, yeah In love and blood, yeah  
In love and blood
