

# Miracle

## Whitney Houston

How could I throw away a miracle  
How could I face another day  
It's all of my doing, I made a choice  
And today I pay, my heart is full of pain  
How could you understand the way I feel  
How could you relate to so much pain  
Seems as though nothing can comfort me  
So today, I pray that someone should listen  
For nothing should matter  
Not when love grows inside you  
The choice is yours  
There's a miracle in store  
Nothing should matter  
Not when love grows inside you  
A voice of love is crying out, don't throw love away  
There's a miracle in store  
How could I let go of a miracle  
Nothing could ever take its place  
Thought I was looking out for myself  
Now it seems the pain is all that I have gained  
I wonder if I could be your miracle  
I wonder if I could spare you pain  
Seems as though nothing will comfort me  
Lord, less today I pray that you should come listen  
For nothing should matter  
Not when love grows inside you  
The choice is yours  
There's a miracle in store  
Nothing should matter  
Not when love grows inside you  
A voice of love is crying out, don't throw the love away  
There's a miracle in store  
Don't ever throw away your miracle  
Don't let it slip away  
For nothing should matter  
No, nothing should matter  
Not when love grows inside you  
The choice is yours  
There's a miracle in store

No, nothing should matter  
Not when love grows inside you  
A voice of love is crying out, don't throw the love away  
There's a miracle in store for you
