

Yesterday's Feelings

The Used

Close my eyes and move to the back of my mind
The worries are washed out to sea
See the changes, people's faces blurred out
Like the sunspots or raindrops Now all those feelings
Those yesterdays feelings will all be lost in time
But today I've wasted away for today is on my mind Left the only worries I had in my hands
Away from the light in my eyes
Holding tight and try not to hide how I feel
'Cause feelings mean nothing now Now all those feelings
Those yesterdays feelings will all be lost in time
But today Ive wasted away for today is on my mind
(Yeah today is on my mind) I can't care to worry
I'm feeling so lonely
Breaking apart all this love in my heart Close my eyes and move to the back of my mind
Where feelings mean nothing now All those feelings
Those yesterdays feelings will all be lost in time
(All be lost in time)
But today Ive wasted away, for today is on my mind
For today is on my mind
(Yeah today is on my mind) Now I can't care to worry
Im feeling so lonely
Breaking apart all this love in my heart
