

Metalwar

Hysterica

The time has come
We get here
To show them all that we are strong and refuse to fall
And in the battlefield
We here to fight
Fight for the truth that we believe in our heart sight right Girls on thor
Here to break the law
Bring your sword
To the metalwar
Make some noise
You have no other choice
Raise your voice
For the metalwar
Now listen up
Obey my words
To like we got our raisel forceid to break the spell
Fires out
The wind of earth
We'll help get the victory that we deserve
