Gene Brown â€™ pedal steel

It sure was good to be here
I sure hope we both take care
I'm sad and I'm scared
To be leavin' today

I wish we could have had more
I wish we could have had more
Not enough time to say

You been bit girl
It's time to uncurl
Your body, your story
Your glory, your fury

Meeting you in this place
So much change in a season
No more down coat,
You got a haircut

Grab hold of me friend
So I don't get hit
Bike courier flies by
And she's screaming
