

Funny But I Still Love You

Ray Charles

My dear sweetheart, I'm writing you
Just a few lines to tell you that I'm low
Oh baby, my baby
Funny, but I still love you You went away, didn't say goodbye
But I still love you, Lord, I wonder why
Oh baby, my baby
Funny, but I still love you I don't know, who was right or who was wrong
All I know as I am so tired, so tired of being alone
But if you care, like I care
Catch the next [Incomprehensible] bring your self back here
Oh baby, my baby
Funny, but I still love you I miss your lovin'
You know what I mean
Remember how you used to make me scream
Oh baby, my baby
It's funny, but I still love you
