

Beautiful Pain

[Jann Arden](#)

Beautiful pain, beautiful hurt
Beautiful face, beautiful earth
And you my love, most lovely of all
Won't fall Beautiful heart, beautiful words
Beautiful loss, beautiful world
You my love, most lovely of all
Oh, you my love, most lovely of all
Won't fall Wonderful days, wonderful sounds
Barely a breath it's heaven or hell
And you my love, most lovely of all
Oh, you my love, most lovely of all
Won't fall And you my love, most lovely of all
Oh, you my love, most lovely of all
Won't fall
