

# Break Apart (feat. Rhye)

Bonobo

It's hard to take all of this hate  
It's hard to take all of this hate, this hate First move they think they never saw  
Be careful with me, be careful with  
Join with me I should've heard your fear  
So, it's on me, so, it's on  
I should've heard your needs  
So, it's on, so, it's on, so, it's on We've thrown apart these pieces  
We've thrown apart these pieces  
So, I don't go home  
Tell me love, tell me love You're my favourite, you're my favourite  
But we're phasing, but we're phasing  
You're my favourite, you're my favourite  
But we're phasing, but we're phasing  
You're my favourite, you're my favourite  
But we're phasing, but we're phasing  
You're my favourite, you're my favourite  
You're my Instead of something to break apart  
Instead, it's just broke apart  
Stand up and shake this heart  
Instead, it's just a break apart from us I should've heard your fear  
Shame on me  
I should've heard your needs  
Shame on me Help me out, on me, help me out, on me
