

I Just Wanna Be With You

*NSYNC

Na, na, na, na
Na, na, na, na
Na, na, na, na, na, na, na, na, na I just wanna be with you
Girl, that's all I want to do
I just wanna be with you
Girl, that's all I want to do Girl, you're turnin' me on
You're such a fine lady
And sugar, more and more
You're driving me crazy 'Cause you're just what I want
And I'm just what you need, oh, it's on
I'm gonna make you my, baby
Sweet darlin', all I can see is you and me, 'cause I just wanna be with you
Girl, that's all I want to do
I just wanna be with you
Girl, that's all I want to do I wanna drown in your love
Lead me to your water
Let it flow
Just let it flow, baby My love is insane
Pleasure and pain
It's part of life
So live it up, baby Now if you're scared of love
Don't, don't be afraid
'Cause girl, I'm scared to
But I gotta have you
Gonna love you day and night
Yes, I'll treat you right I just wanna be with you
Girl, that's all I want to do
I just wanna be with you
Girl, that's all I want to do I just wanna be with you
Girl, that's all I want to do
I just wanna be with you
Girl, that's all I want to do You and me
(Let's stay together)
We'll be together, say
Na, na, na, na, na, na, na, na, na You and me
(Let's stay together)
We'll be together, say
Na, na, na, na, na, na, na, na, na
Like this, *NSYNC, that's right I just wanna be with you

Girl, that's all I want to do
I just wanna be with you
Girl, that's all I want to do I just wanna be with you
Girl, that's all I want to do
I just wanna be with you
Girl, that's all I want to do Come and be with me, my baby
