

# Always and Forever

## Bob Curnow's L.A. Big Band

Always and forever  
Each moment with you  
Is just like a dream to me  
That somehow came true, yeah  
And I know tomorrow  
Will still be the same  
'Cause we got a life of love  
That won't ever change and  
Everyday love me your own special way  
Melt all my heart away with a smile  
Take time to tell me you really care  
And we'll share tomorrow together  
Ooh baby, I'll always love you forever  
Ever, ever, ever  
There'll always be sunshine  
When I look at you, yeah  
It's something I can't explain  
Just the things that you do  
And if you get lonely  
Call me and take  
A second to give to me  
That magic you make and  
Everyday love me your own special way  
Melt all my heart away with a smile  
Take time to tell me you really care  
And we'll share tomorrow together  
Ooh baby, baby, I'll always love you forever  
Ooh baby, ooh baby, yeah baby, yeah baby, forever  
Always love you forever  
Always love you forever  
Always love you forever  
Yes, I'm the one who  
Yes, I'm the one who loves you  
Always and forever, I love you
