Lola's Mambo

Juan Luis Guerra

How about a dance with me?
How about a dance?
How about a dance with me?
How about a dance?
How about a dance?
How about a dance with me!
Baila lola, lola's mambo!
Baila lola, lola's mambo!
Don't you care about a dance?
How about a dance?, about a dance?
How about a dance?, about a dance?
How about a dance with me?
How about a dance?

How about a dance with me?
How about a dance?
How about a dance?
How about a dance with me!
Lola, mambo, baila mambo, lola
