Big Nuthin'

The Roches

Big nuthin', big nuthin', big nuthin', nuthin'I was on a TV show, that everybody said
Would change the course of my life that night by the time I went to bed
Tinkling glass and candlelight, your look of tenderness
I was full of cozy hope, sweet taste of successIt was a big nuthin', ooh, big nuthin'
Turned out to be a big nuthin', nuthin'You don't have to cross the street, when you see me comin'
Too much trouble, when you see me comin'
So the love we think is lost
Things that never happened, strangerIt was a big nuthin', ooh, big nuthin'
Exactly like a big nuthin', nuthin'Ooh, late last night we argued, when you weren't there
All of my disappointment screamed into the air
Just about to fall into the deep hole that I dug
Saw myself pretending with a shovel and a shrugIt was a big nuthin', big nuthin'
Wasn't it a big nuthin', nuthin'You don't have to cross the street, when you see me comin'
Too much trouble, when you see me comin'
So the love we think is lost
Things that never happened, strangerIt was a big nuthin', ooh, big nuthin'
Kinda like a big nuthin', nuthin', yeahBig nuthin', ooh, baby, big nuthin'
Yes, I think it was big nuthin', nuthin'
Big nuthin', big nuthin', big nuthin', nuthin'
Big nuthin', ooh, big nuthin', big nuthin', nuthin'
