Be OK

J-walk

imma take my lexus to the mall
get a little black dress just because
me and my boo just broke it off
imma be fly although hes gone
and i dont really care bout who he's with
imma get mine and he'll get his
even though i was in love with him,
i really hope the best for them
every sentimental and my crying sacrimental
tell me what i cant get into
i cant lose my mind
think its time for me to let go
cause my heart cant take it no more
you were all i lived for but i'll leave you behind
imma be ok
imma be ok
i'll survive, i'll be fine, i wont cry no way
imma be ok
imma be ok
dont you talk, i'll move on, baby walk away

imma keep my head up, hold it high
really did my best i know you tried
even though it hurts i will survive
i'll wipe my eyes, i'll stay alive
take a deep breath and count to 10
today's a new day i'll start again,
imma find myself so deep within
imma survivor i will win
every sentimental and my crying sacrimental
tell me what i cant get into
i cant lose my mind
think its time for me to let go
cause my heart cant take it no more
you were all i lived for but i'll leave you behind
imma be ok
imma be ok
i'll survive, i'll be fine, i wont cry no way
imma be ok

imma be ok
dont you talk, i'll move on, baby walk away
