

Where Everybody Knows Your Name (Cheers Theme)

Gary Portnoy

Making your way in the world today takes everything you've got
Taking a break from all your worries, sure would help a lot
Wouldn't you like to get away? All those nights when you've got no lights, the check is in the mail
And your little angel hung the cat up by its tail
And your third fiancée didn't show Sometimes you want to go where everybody knows your name
And they're always glad you came
You wanna be where you can see our troubles are all the same
You wanna be where everybody knows your name Roll out of bed, Mr. Coffee's dead, the morning's looking
bright
And your shrink ran off to Europe and didn't even write
And your husband wants to be a girl Be glad, there's one place in the world
Where everybody knows your name and they're always glad you came
You want to go where people know, people are all the same
You want to go where everybody knows your name Where everybody knows your name and they're always glad
you came
Where everybody knows your name and they're always glad you came
Where everybody knows your name and they're always glad you came
