Don't Let The Music Die

[Inna](#)

Everybody falls in love and then falls down
And I'm feeling so high, I'm feeling so high for you
Everybody falls in love and then falls down
And I'm feeling so high, I'm feeling for you
Boy, I'm feeling for you
Don't let the music die, don't have to feel alone
You have to learn to say we'll be okay tomorrow
Don't let the music die, don't have to feel alone
I've got love and many reasons to love
Reasons to love
Every step that I take brings you closer
In my dream, in my dream, in my dream
Every step that I take brings you closer
In my dream, in my dream, in my dream
Every step that I take brings you closer
In my dream, in my dream, in my dream
Every step that I take brings you closer
In my dream, in my dream, in my dream
Don't let the music die, don't have to feel alone
You have to learn to say we'll be okay tomorrow
Don't let the music die, don't have to feel alone
I've got love and many reasons to love
Reasons to love
