

Johnny's Dead Aka Vincent Mason (live From The Bk

De La Soul

Oh Johnny, you got a bullet in your forehead, boy
Don't you understand, you're dead?
Buried six feet under the concrete
Ooh aww oh

That's the noise he made when he got shot
But Johnny's still dead, still dead
Thought about his mama

Thought about his father Josephine
But nobody could help the boy
When he hit the concrete
"Ooh aww oh"

The last words said by Johnny
But now he's six feet under and he's dead
