

# Disco Club

## Black Eyed Peas

[Chorus]

If the lady's in the disco club  
I'll freak you in the disco club  
And dancing in the disco club  
And shaking in the disco club

If you take me to the disco club Yeah, I'm trying to party on out  
Step to the disco can't work it out

Let's get go and this party started now  
Parties and getting naughty is what I'm all about  
So many girlies in the house  
With slanging ass bodies and perty ass mouths  
After the club we're going straight to my house  
(I got to, go to) Gotta get you on my couch  
I rock steady, no doubt

You ask for some of us so I let you turn it out  
Don't give me gomma baby, baby don't pout

I don't want a baby, momma, don't want a spouse [Chorus: x2] I like the way that you move (move)  
Don't hold back, baby, do what you do (don't make me)

You make a nigga go ooh (ooh)  
How the hell a woman get as fine as you (so fine)  
I'm trying to holler at you (you)  
First time I see ya' I was like 'hallelujah' (hallelujah!)

Turn around, let me view ya'  
(Got to, got to, got to) Damn I want to do ya' (oh!)  
Baby let's get into it (into it)

Make moves like me and you was intimate (intimate)  
(Sexy) Let's pretend that this beat is a hot beat blown with intimate  
(Hotness) Sex with clothes on

Dancing on the dance floor, getting my bulge on  
(Rising) And I got a Trojan

Just in case we get it, get it going on [Chorus] Cause the ladies in the disco club ain't the ones to be falling in  
love with

If you go to the disco club protect yourself and don't fall in love  
The ladies in the disco club ain't the ones to be falling in love with

The ladies in the disco club ain't the ones to be falling in love with Playa listen, yeah, I'm a Miss and I go to  
clubs and I sip on Cresson

That don't mean I'm like the rest of them tricks  
In the party getting naughty, chasing money and dicks and  
No, you got me all wrong brother

No, I'm a woman that's strong brother  
Yeah, it ain't nothing wrong with a woman in the club getting freaky to the song  
Monday at the disco club  
Tuesday at the disco club  
Wednesday at the disco club  
Thursday at the disco club  
Friday at the disco club  
Saturday at the disco club  
Sunday at the disco club  
Every day's the disco club  
See us at the disco club  
See you at the disco club We gonna break it on down  
Rub it on your belly like a ultrasound  
Shake it like a jelly and move around  
Really want to see y'all flaunt your style  
Get wild, baby, get a little crazy  
Don't hesitate, won't take no/maybe  
(Move) not like an eviction  
But me and you baby all cause friction  
Hm, as my eyed undress you  
Just want to let you know there's no pressure  
Body conversation, they both want pleasure  
But your girl cock-blocked and won't let you  
Hm, what you gonna do now  
Bounce, rock, shake and we can all while out  
Let it all flow like a river now  
Check me, check me, check ch-check me on out If the ladies in the disco club  
Are freaking in the disco club  
And dancing in the disco club  
And shaking in the disco club  
If you take me to the disco club [Chorus]
