I Found U

Axwell

Everybody wanna know
Why I'm walking 'round
With a big smile on my face
Hey I'm happy and it showsHey, I'm back and I'm proud of the human race
'Cause you know I've been down so long
Never thought I'd ever feel this way again
And everything was going wrong
'Til you found me and you made me believe againOh I found u, oh I found u
Damn, I'm happy that I found youI don't know what you did
But what you did you can keep on doing it, yeah
I'm so happy I wanna fly
'Cause your love just keeps on taking me higherDon't you know I've been down so long
(Down so long)
Never thought I'd ever feel this way again
And everything was going wrong
(Going wrong)
Till you found me and you make me believe againOh I found u, oh I found u
Damn, I'm happy that I found youI found you
I found you
I found you
