Forever Young Shawty Forever Young
Forever Young Shawty Forever Young
Forever Young Shawty Forever Young

Your eyes that saw me for the first time
In them, I saw a number of stars
They were following me in a funny way that day
So, why, on that dayâ€¦

â€¦Couldnâ€™t I forget about you, in that moment
The day the shining you, came towards me
To me youâ€™re the Best of the Best no one I ever had
Iâ€™ll give you a gift, So I wonâ€™t regret

Miss you I really miss you
If youâ€™re still not bored of me Iâ€™ll sing a song for you
Turn the radio o-o-on
Turn the radio o-o-on

Miss you I really miss you
So that youâ€™ll be able to think of me, Iâ€™ll sing for you
Turn the radio o-o-on
Turn the radio o-o-on
Cuz I wanna be

Forever young this moment thatâ€™s just ours
Forever young I donâ€™t want to let itget away
Forever young woo baby
Woo woo baby woo woo baby
Cuz I wanna be
Forever young you and I, just as we are
Forever young even if time passes by
Forever young woo baby
Woo woo baby woo woo baby

Forever youâ€™re my shawty

Forever youâ€™re my shawty
Place me in your heart the way the night keeps the stars
With your eyes, and your smile
They melt me, and make me more excited

Come to me just like that and
Feel me and this beautiful night
Hey shawty I wanna be with you forever young
No matter how I look at it youâ€™re ma baby girl

Miss you I really miss you
If youâ€™re still not bored of me Iâ€™ll sing a song for you
Turn the radio o-o-on
Turn the radio o-o-on

Miss you I really miss you
So that youâ€™ll be able to think of me, Iâ€™ll sing for you
Turn the radio o-o-on
Turn the radio o-o-on
Cuz I wanna be

Forever young this moment thatâ€™s just ours
Forever young I donâ€™t want to let itget away
Forever young woo baby
Woo woo baby woo woo baby
Cuz I wanna be
Forever young you and I, just as we are
Forever young even if time passes by
Forever young woo baby
Woo woo baby woo woo baby
Forever youâ€™re my shawty

Listen to me baby
Can you hear my heart that says it loves you?
Embrace my sincerity towards you
Just be my side, just like this

Forever young shawty forever young (uh)
Forever young shawty forever young (come on)
Forever young shawty forever young (uh)
Forever young shawty Cause I wanna be

Forever young this moment thatâ€™s just ours
Forever young I donâ€™t want to let itget away

Forever young woo baby
Woo woo baby woo woo baby
Cuz I wanna be
Forever young you and I, just as we are
Forever young even if time passes by
Forever young woo baby
Woo woo baby woo woo baby
Forever youâ€™re my shawty
