7th Avenue

Ratt

Yeah, you, you look for trouble
You, you're always dancin'
Look who's fashion conscious
True always romancin'Out until the sunlight
Nothin' else to say
Puttin' out 'til mornin'
Well, then just walk awayI've seen your pictures in the magazine
I knew it must be you
You know I really wanna meet you, girl
On 7th AvenueIt's your sweet attitudeYou, you're always playin'
I don't know what you're sayin'
You, you like the night life
Well, diamond girls don't think twiceShow strings of pearls and
Trips around the world
Got men 'round your finger
Well, that's my kind of girlI've seen your pictures in the magazines
I knew it must be you
You know I really want to meet you, girl
On 7th AvenueIt's your sweet attitudeYeah, you, you look for trouble
You, you're always dancin'
Look who's fashion conscious
True always romancin'I got love I want to show you
I know it's up to you
You know I'm dyin' to meet you, girl
On 7th Avenue, on 7th Avenue, on 7th Avenue
You know I really want to meet you, girl
On 7th Avenue
