

Your Winter (Live & Acoustic)

Sister Hazel

The gray ceiling on the earth
Well it's lasted for a while
Take my thoughts for what they're worth
I've been acting like a child
In your opinion, and what is that?
It's just a different point of view What else, what else can I do?
I said I'm sorry, yeah I'm sorry.
I said I'm sorry , but what for?
If I hurt you then I hate myself
Don't want to hate myself, don't want to hurt you
Why do you chew your pain?
If you only knew how much I love you, love you [Chorus]
I won't be your winter
And I won't be anyone's excuse to cry
We can be forgiven
And I will be here The old picture on the shelf
Well it's been there for a while
A frozen image of ourselves
We were acting like a child
Innocent and in a trance
A dance that lasted for a while You read my eyes just like your diary,
Oh remember, please remember
Well, I'm not a beggar, but what's more
If I hurt you, then I hate myself,
I don't want to hate myself don't want to hurt you
Why do you chew that pain?
If you only knew how much I love you, no Well I won't be your winter
I won't be anyone's excuse to cry
And We can be forgiven
And I will be here [Chorus]
