You Were Meant For Me

Lalah Hathaway

You were meant for me
No one else could come
Between this love, I Know
Cause I'll never let you go
You and me it seems
Never had a problem
We can't overcome
Cause you'll always be the one
Never thought I'd be so happy
Loving you has made me feel so fine
I can see my friends turn green with envy
And everytime I tell them, I'm so glad you're mine
You were meant for me
No one else could come
Between this love, I Know
Cause I'll never let you go
You and me it seems
Never had a problem
We can't overcome
Cause you'll always be the one, yeah
Never did one thing to hurt me
You always understood my ways
If I could I'd stay right here beside you
With your hand in mine, making love for days
You were meant for me
No one else could come
Between this love, I know
Cause I'll never let you go, you were meant for me
