Buried

Spraynard

Here it is again, the feeling in My gut.
feels like the air, is going out of My lungs.
it comes on every failure, when its been around bringing Me down, I think I'm freaking out.
I'm buried I'm buried deep inside my house
can you help Me get out oh help Me get out get out.
Alone in my room; My bed broke last night
I'm sleeping on the floor you'd think I'm to old for this to old for this shit would have learned My lesson before
God damnit I am scared is that what you wanted to hear if I'm hiding My laughter maybe it was never there
I'm buried I'm buried deep inside my house
can you help Me get out, oh help Me get out get out.
this story I've told a million times before
can you help Me find the pages burn them all
I, I just want to know what it's like to be alright what it's like to be alright
I, I just want to know
what it's like to be alright what it's like to be alright
