[Willie D]Nigga fuck, you!
I put a hole in yo' head big enough to drive a truck through
 Buck you gon' see some red shit
Cause I'ma "whoops upside yo' head," bitch!
 Hungry for war, heart palpitate, I salivate
 I want you cocksuckin bitches to retaliate
 We don't gives a fuck bout what you tryin to stress
 I'll have them folks cuttin a motherfuckin Y in yo' chest
[Bushwick Bill]I'm dyin to wet, any cocksucker, that fuck with Chuck
 Cause you know I'm gonna chuckle when I fuck him up
 I'ma act a fool, if anybody clowns
 I'm in and out of jail like my homey Bobby Brown
 Homey I'm down, just call your nigga Chuck
 I'll help you roll around, and shoot these bitches up
 Then it's back to the cut for some drinkin and pissin
 'Face tell these niggaz how we livin (the unforgiven)
 [Scarface]How many times do a nigga gotta ride
 on you stupid motherfuckers 'fore you realize
I don't give a fuck about nuttin (nuttin) guns cocked bustin (bustin)
 Whole click shot up, mob style, wasn't
 concerned about questions cause I ain't got answers
 Nigga we don't talk to police, fuck Chandler
 This shit scandalous, these hoes want us
 Cause we supply this shit to yo' hood on each corner
 They came back on 'em, y'all can't stop us
 Tried to set me up wit yo' system but can't pop 'em
 And that's my problem, you see a nigga outted
 For juicin confidential informers, I squeeze it out him
 I take my sawed off, aim it at your Dodge bitch
 And murder everybody that bastard was in the car with
 I'm tired of bein misprinted, misspelled, misquoted
 Fuck the magazine and the punk or the bitch who wrote it
 [Chorus: repeat 2X]What? What? What? What?
 Nigga it's the law - nigga I don't give a fuck fool
