

Tahiti Rain Song

[CocoRosie](#)

Oh sailor, oh sail me
Silver mast do impale me
Oh windless, oh windy
Remind me, rewind me Oh laughter, oh laughless
Just sing this, just mean this
Infinity whispered to me
A mumble so dreamy A soft sound so creamy
So dreamy, so dreamy
Infinity whispered to me
A mumble so dreamy A soft sound so creamy
So dreamy, so dreamy
So dreamy, so dreamy
