## Life of Agony

Yeah, sure, now you walk in  
You walk in now, four o'clock  
You're one hour late for dinner  
You know, the school called me today And told me, you'd been playing hooky  
Do you know that? Who do you think you are?  
Don't walk away from me  
Don't walk away from me Hi, it's me, I just wanted to tell you  
That I don't know if you know this  
But we haven't really been gettin' along lately  
And I just don't feel the same anymore And I hope we can still be friends  
And all but I don't wanna go out  
With you anymore, sorry
