

# Violet Delight

Michal

Don't act like that  
Don't shut me out  
Like I'm a stranger and she's not  
You're all I dream  
Violet delight  
You wake me in the night

CHORUS:

It's rare that I should care this much  
It's stupid that I want your touch  
But now I understand  
That you can't live with all I am  
Don't wake me up  
I'm someone new  
The perfect girl who's right for you  
I want it all  
I want the pain

When you are gone it rains

REPEAT CHORUS

Orchestra drown me

I'm deaf in sound sleep

REPEAT CHORUS
