

Beach In Hawaii

Ziggy Marley

On the beach in Hawaii I wish you were here with me,
Walking on the beach in Hawaii
Playing on the golden sand,
Looking at the ocean now I understand
Love is like the open sea,
And I wish you were here with me
On the beach in Hawaii Since you've been gone away,
I think about you everyday
Don't you know I miss you much,
And you know I need your touch
I'm on a rocky cliff,
Oh I wish you were here with me
(I wish you were here with me)
On the beach in Hawaii
(I wish you were here with me) A little pakalolo, and I say mahalo
Ujjayi breathing, to get a real feeling
Yogi gonna let you know
That I wish you were here with me
(I wish you were here with me)
On the beach in Hawaii
(I wish you were here with me)
in Hawaii (I wish you were here with me)
On the beach in Hawaii
(I wish you were here with me)
On the beach in Hawaii
(I wish you were here with me)
