Girl

NB Ridaz

You're my lady, always been so true
This is why I sing this song for you
And you're my lady always in my life
And I wanna thank you for being down to rideForever yours, forever mine, our love will always
Shine no matter the situation, you where always
By my side, never the less you brought the
Best of me, the years that I livedOnly love that I got my right hand, by best friend
Who must of sent such an angel to this world
That is, could you belong in the heavens, not this
Ignorant world, you're my girl, my all best thing
A man could ever haveI'm glad that your mine and I'm proud to be your man
Understand that there's no other if there is just
A few staying true like you never breaking
No rule, Lord, forgive me for the things I have doneTo you, if you weren't up in my life, I wouldn't know
What to do, won't complain about no money, didn't
Faze when I was broke all we needed was each other
Love to strong to let goIf I die tonight all I wanna let you know
Reminisce on what we had, hold me tight
And don't let go, girlOh girl, you're the one for me
Never ever let me down
You will always be around
Girl, I have to thank you, baby
Always standing by my side
So don't you ever leave my lifeEven through these hard times we continue to face
It's like deep inside of me you could never be replaced
Like when we struggle we get tested in faith
But you been strong and stood by me every step a the wayI thank the Lord for the day he brought you into my life
Changed my world, my destiny and gave me new life
So if you got somebody special that's always been true
Show love and take note in everything that they doI could neva take for granted what she's done for me
Even when we disagree she still stands by me
Late night road trips showin' mad support
The typa girl that every homie should be keepin' close'Cuz you're that typa a girl that neva let me down
Encouraged me to see the light when no one else would come
Around, down when I had money and down when I was broke
So if I die tonight hold me tight and don't let goOh girl, you're the one for me
Never ever let me down
You will always be around

Girl, I have to thank you, baby
Always standing by my side
So don't you ever leave my lifeI guess that you can say I owe my life to you the
Only dream that really matters is to be with you
'Cuz even though we argue and we fight sometimes
You'll always be my queen until the end of timesI'm giving love to the one that always stood by my side
If you ever need me, baby, for you I give my life
You been so true that's why it's you these feelings I won't hide
My love goes out to you, girl, I never leave your side, yeahOh girl, you're the one for me
Never ever let me down
You will always be around
Girl, I have to thank you, baby
Always standing by my side
So don't you ever leave my life
