

# Girl

NB Ridaz

You're my lady, always been so true  
This is why I sing this song for you  
And you're my lady always in my life  
And I wanna thank you for being down to ride Forever yours, forever mine, our love will always  
Shine no matter the situation, you where always  
By my side, never the less you brought the  
Best of me, the years that I lived Only love that I got my right hand, by best friend  
Who must of sent such an angel to this world  
That is, could you belong in the heavens, not this  
Ignorant world, you're my girl, my all best thing  
A man could ever have I'm glad that your mine and I'm proud to be your man  
Understand that there's no other if there is just  
A few staying true like you never breaking  
No rule, Lord, forgive me for the things I have done To you, if you weren't up in my life, I wouldn't know  
What to do, won't complain about no money, didn't  
Faze when I was broke all we needed was each other  
Love to strong to let go If I die tonight all I wanna let you know  
Reminisce on what we had, hold me tight  
And don't let go, girl Oh girl, you're the one for me  
Never ever let me down  
You will always be around  
Girl, I have to thank you, baby  
Always standing by my side  
So don't you ever leave my life Even through these hard times we continue to face  
It's like deep inside of me you could never be replaced  
Like when we struggle we get tested in faith  
But you been strong and stood by me every step a the way I thank the Lord for the day he brought you into my  
life  
Changed my world, my destiny and gave me new life  
So if you got somebody special that's always been true  
Show love and take note in everything that they do I could neva take for granted what she's done for me  
Even when we disagree she still stands by me  
Late night road trips showin' mad support  
The typa girl that every homie should be keepin' close 'Cuz you're that typa a girl that neva let me down  
Encouraged me to see the light when no one else would come  
Around, down when I had money and down when I was broke  
So if I die tonight hold me tight and don't let go Oh girl, you're the one for me  
Never ever let me down  
You will always be around

Girl, I have to thank you, baby  
Always standing by my side  
So don't you ever leave my life I guess that you can say I owe my life to you the  
Only dream that really matters is to be with you  
'Cuz even though we argue and we fight sometimes  
You'll always be my queen until the end of times I'm giving love to the one that always stood by my side  
If you ever need me, baby, for you I give my life  
You been so true that's why it's you these feelings I won't hide  
My love goes out to you, girl, I never leave your side, yeah Oh girl, you're the one for me  
Never ever let me down  
You will always be around  
Girl, I have to thank you, baby  
Always standing by my side  
So don't you ever leave my life
