

Seasons

Tonex

Verse 1

Just like winter snows
Thats the way seasons come and go
Just like the autumn leaves fall
Thats just the story of us all

Chorus

Seasons, seasons, seasons, seasons
Seasons, they come and they go
Heaven may pass away but Your Word will never change

Verse 2

There will be times when you

Dont have a confidant in view
Just hold your head up high
For your redemption draweth nigh

Chorus 2

Seasons, seasons, seasons, seasons
Seasons, they come and they go
You just stand your ground when life deals you a bad blow

Chorus 3 (Ms. Tonx)

Seasons, seasons, seasons, seasons
Seasons, they come and they go
All of my appointed times Im gonna wait until my change comes
