

# Look Through My Window

## The Mamas & The Papas

And the rain beats on my roof  
And it does not ask for proof It's not that lovers are unkind  
She always said there'd come a time  
When one would leave and one stay behind  
We both knew people sometimes change  
And lovers sometimes rearrange  
And nothing's quite as sure as change  
And the rain beats on my roof Look through my window to the street below  
See the people hurryin' by  
With someone to meet, some place to go  
And I know I should let go She always said I'm not like you  
When love is dead for me it's through  
And I will find and love someone new Look through my window to the street below  
See the people hurryin' by  
With someone to meet, some place to go  
And I know I should let go I must admit she knew her mind  
And it will not take her long to find  
Another place where the sun will shine And the rain beats on my roof  
If I still require proof  
Well the rain beats on my roof (she's gone)  
If I still require proof (she's gone)  
Well the rain beats on my roof (look through my window)
