

# Devil's Paradise

Inna

No I don't know  
Know where you came  
You came from bad  
If you like You can be my inspiration  
In the day time, or at night  
Cause baby you shine like platinum ring  
And if you won't mind  
I will show you off  
And if you like to be held  
I can hold you till the end of time Cause you...you are the thing I need to do  
Now I'm craving you, cause you make all my wrongs feel right  
Like a devil's paradise  
You, I'm a little scared of you  
Yeah I want you now 'cause your lips are the perfect crime  
Like a devil's paradise You take all my flaws and make them priceless diamonds  
I bet you're, you're an angel undercover  
And I like it, yeah I'm sure  
Cause baby you shine like platinum ring  
And if you won't mind  
I will show you off  
And if you like to be held  
I can hold you till the end of time
