

Your Best Days Yet

Bishop Paul S. Morton

You might think that it's over, that your life is done
The best is yet to come
Don't sweat the challenge, your battle's already won
The best is yet to come
Listen y'all!
See God writes the end, before the story begins
Oh, He told me to tell you
The best is yet to come
As the author of your faith, He wrote in provisions for you to win
You're a winner, you're a winner!
The best is yet to come

You ain't seen your best days yet (2)
I don't care what people told you
You ain't seen your best days
The best is yet to come
You ain't seen your best days yet
Stay in faith my sister
You ain't seen your best days yet
Stay in the word my brother
You ain't seen your best days
Trust and know
The best is yet to come
You ain't seen your best days yet
Would you deposit this word in your heart?
You ain't seen your best days yet
No it's not too late for you to start
You ain't seen your best days yet,
The best is yet to come
I wanna encourage you, I just wanna encourage you
The best is yet to come
you ain't seen your best days yet

You ain't seen your best days yet (2)
Get away from negative words
Get away from negative people
You ain't seen your best days yet
Let God speak to you
The best is yet to come

You gonna run and not be weary
You gonna walk and not faint

The best is on the way
I see you eagle, I see you flying high
You ain't seen nothing, you ain't seen nothing
I know you may think that you have
But God told me to tell you
You gotta keep on fighting
Keep on praying
You ain't seen nothing yet
You ain't seen your best days yet (3)
The best is yet to come
It's gonna come, it's gonna come, it's gonna come
You ain't seen your best days yet (3)
The best is yet to come
I've seen you in the future and you do better
The best is yet to come (3)
I've seen it, I feel it
Thank you Jesus!

The best is yet to come
Greater is the ending of a thing
Than it's beginning
The best is yet to come!.....
