

We Are the World

U.S.A. for Africa

There comes a time when we hear a certain call
When the world must come together as one
There are people dying and it's time to lend a hand
To life the greatest gift of all. We can't go on pretending day by day
That someone, somewhere will soon make a change
We are all part of God's great big family
And the truth, you know, love is all we need. We are the world, we are the children
We are the ones who make a brighter day so let's start giving
There's a choice we're making, we're saving our own lives
It's true we'll make a better day just you and me. Well, send them your heart so they'll know that someone cares
And their lives will be stronger and free
As God has shown us by turning stones to bread
And so we all must lend a helping hand. We are the world, we are the children
We are the ones who make a brighter day so let's start giving
There's a choice we're making, we're saving our own lives
It's true we'll make a better day just you and me. When you're down and out, there seems no hope at all
But if you just believe, there's no way we can fall
Well, well, well, well let us realize that a change can only come
When we stand together as one. We are the world, we are the children
We are the ones who make a brighter day so let's start giving
There's a choice we're making, we're saving our own lives
It's true we'll make a better day just you and me. We are the world, we are the children
We are the ones who make a brighter day so let's start giving
There's a choice we're making, we're saving our own lives
It's true we'll make a better day just you and me... There comes a time when we heed a certain call
When the world must come together as one
