Uncontrollable Urge

Devo

Yeah
Yeah
YeahGot an urge got a surge
And it's out of control
Got an urge I wanna purge
'Cause I'm losing controlUncontrollable urge
I wanna tell you all about it
Got an uncontrollable urge
It makes me scream and shout itI've an uncontrollable urge
I've an uncontrollable urgeIt's got style, it's got class
So strong I can't let it pass
I gotta tell you all about it
I gotta scream and shout itYeah
Yeah
YeahGot an urge, got a surge
And it's out of control now
Got an urge I wanna purge
'Cause I'm losing controlUncontrollable urge
I wanna tell you all about it
Got an uncontrollable urge
It makes me scream and shout it, that's right!I've an uncontrollable urge
I've an uncontrollable urgeIt's got style, it's got class
So strong I can't let it pass
I gotta tell you all about it
I gotta scream and shout itI got an uncontrollable urge
I wanna tell you all about it
An uncontrollable urge
It makes me scream and shout itAnd I said yeah
And I said yeah, yeah
And I said yeah
And I said yeah, yeah
And I said yeah, yeah, yeah
Yeah
Yeah
Yeah
